

# Announcement

about

Regulation (EC) no. 1907/2006 (REACH)  
(Registration, Evaluation, Authorization of Chemicals)

This announcement documents that neither registration nor notification for any substances in our products according to Articles 7(1) and 7(2) of the REACH regulation is required, because under reasonably foreseeable conditions, no substances are intentionally released from **Jianghai aluminum electrolytic capacitors**. Our products and its packaging comply with the restrictions according to REACH annex XVII, substance list as of 18<sup>th</sup> October, 2023.

## Information regarding Substances of Very High Concern according to REACH Art. 33

The candidate list according to article 59 (1, 10) of regulation (EC) no. 1907/2006 (REACH) was published October 28<sup>th</sup>, 2008 on the website of the European Chemicals Agency (ECHA). The candidate list was last amended on January 23<sup>rd</sup>, 2024, and can be downloaded at

<https://echa.europa.eu/candidate-list-table>

Determining whether any of our products contain more than 0.1 percent by weight of candidate substances is an ongoing process. In this process it has been found to the present and best of our knowledge and based on the information available to us from our suppliers, our current products and its packaging do not contain added substances of very high concern (SVHC) as defined in the amended candidate list comprising 240 substances as of January 23<sup>rd</sup>, 2024, above a limit of 0.1 % w/w. Should our state of knowledge change, we shall inform you accordingly.

January 30<sup>th</sup>, 2024
